*Merry CHRISTMAS!  
Happy HANUKKAH!  
Happy Holidays to ALL!*

*Nelson wishes everyone a Merry Christmas!*

Dear Associate Members

Hurrah, we do have insurance coverage but with an increase of a little more than 9,000 Dollars. Even though not having utilized any coverage due to COVID – 19 no visiting policy during most of 2020.

Since we are sending out our newsletter with our renewal request today, we will extend our renewal return requirement until February 1, 2021. Since you all are updating your Health Care requirements during the year when due, there should not be any problems renewing in a timely manner. We do have financial sorrows keeping up our operation. Expenses are not going away, they are increasing as you most likely are aware of too. Our dues are very low in comparison to the goods and services you receive. Anyway, enough of this. Now let us look at the positive side as to what we can do in the future.

I had sent you already guidelines how to visit without touching. We are right now in the process of developing a test we can give with touching in a different way and also keeping the required distances between the handler and testing helpers. This is something to be ready for once there is an end to all the restrictions. COVID – 19 is a real and present danger. It can affect any age group. Two of our employees have had COVID – 19 (young people).

I am recommending to you to keep working with your dog(s) to keep up your spirits. We are very fortunate to have dog(s)! Training should be done on a daily basis, even if you are working less than half an hour. Teaching dogs new skills can be a lot of fun! So many of you have taken the initiative by making the best of a bad situation in exploring new avenues, like Zoom visits, Window visits, etc. If you want to hear and get some new ideas as to what other TDI ASSOCIATE MEMBERS ARE DOING, please feel free to join our chat group on FB for TDI ASSOCIATE MEMBERS ONLY. Please remember, the chat page is not there to discuss nor answer business questions. Please contact the TDI office, preferably via an email, or if that is not possible, give us a phone call.

As I am writing this, winter has announced itself with dropping a few inches of snow.

Wishing All of you Happy Holidays!

Ursula Kempe

## *Instructions How to Renew by Mail*

If you send your renewal by mail, payment can only be made by check or money order. We can no longer accept credit card payments through the mail.

Due to increased costs, TDI will no longer issue refunds of \$15 or less. For any refund we issue, we will charge a fee of \$10.

If you must renew through the mail, we are attaching the following with this letter:

1. Your annual Renewal Form for the year 2021.
2. TDI® s Annual Health Records Form (mandatory). If you already have a current, valid Health Records Form on file with us for a dog you are renewing, you do not have to file another one. Just check the box on the Renewal Form that corresponds with each dog that has a current Health Records Form on file.

**Any health care procedure that expires during the year must be updated. The update must be sent to TDI and received by TDI by the time the procedure on the HRF has expired.**

We will auto-remind you 4 weeks prior to the expiration of any health care procedure listed on your dog's HRF. You cannot visit without a current, valid health record on file.

All Associate Members renewing will receive the following: A new yellow TDI® 2021 ID Tag for each dog renewed. A new 2021 ID card for each dog renewed. A 2021 Insurance Coverage Summary Sheet.

**Rules for Associate Members This is a legal contract between you and TDI. Please read, sign, and date.**

**A. Before a visit. If you do not understand, please consult an attorney.**

**Any claim against TDI® is subject to the jurisdiction of the New Jersey Courts.**

1. No TDI Associate Member is permitted to visit at any facility that has not signed our MOU. If a TDI Associate Member visits without an MOU, they are acting as their own agent and will jeopardize their membership with TDI. If visits occur in facilities with no MOUs, a review will be completed by the TDI Membership Committee Task Force with one of the following outcomes: An MOU will be secured, Associate Member must be placed on suspension.
2. Dog(s) with each applicant must have passed the **TDI® Test** given by one of our certified Evaluators (Does not apply for dog(s) already registered).  
**Alternative:** If there is no TDI® evaluator within a 4-hour drive an associate member may be accepted for limited registration. A temperament test must be given by a qualified instructor. Additional requirements include written invitations on letterhead from any facility where you wish to visit. Applicants for limited registration should request from TDI® a procedure form, which explains how to register.
3. Dogs must be a minimum of one year-old to be tested and registered with TDI®.
4. No minimum age for handlers if the handler is able to pass the test without assistance, but handlers under 18 must be accompanied by an adult on visitations. The Registration form must be signed by a parent or legal guardian.
5. You may be an associate member without a dog. Limited to associate members with previously registered dogs. Only associate members who have a deceased or retired dog are eligible.
6. TDI®'s Annual Health Records form, which must be completed and signed by a Veterinarian, is **mandatory** for Registration and annual Renewal. All TDI required health procedures must be current at all times in order for you to keep making TDI visits. If any required health procedure expires, the dog is not allowed to visit as a therapy dog until the health record is updated.
7. All applicants who wish to visit with more than one dog at the same time must be tested by a TDI® Evaluator with all those dogs together (Maximum of 2 dogs).
8. Paid professionals who use their therapy dogs while working cannot be covered under TDI®'s Volunteer Insurance program. With a current valid registration you will be covered under TDI®'s Volunteer Insurance programs while in service as a volunteer (Our Insurance coverage applies only within the U.S. and Canada).
9. All TDI® Associate Members must be accompanied by a hospital representative when visiting with toddlers or babies.
10. TDI® dog/handler teams are prohibited from visiting any individuals who have been affected by a natural or man-made disaster without approval from TDI®.
11. Associate Members cannot form groups and subsequently schedule visits for the group without being an officially sanctioned TDI Chapter. All TDI Associate Members are free to make appointments for themselves at a facility. However, in order to make arrangements for other TDI Associate Members or to visit as a group, you must form a Chapter.

**B. During a visit.**

1. TDI® Associate Members and their dogs cannot visit, be registered by, or be active under the auspices of another Therapy Dog-related visitation program, organization, or group other than TDI®.
2. Female dogs must not be in estrus when participating in therapy work. TDI® member dogs are **not required** to be spayed or neutered.
3. Dogs must be clean and well groomed when visiting.
4. Dogs must be kept on leash at all times when visiting, except when warranted (during a demonstration). The handler must pay attention to the dog at all times.
5. Each TDI® Dog must be readily identified by wearing a flat buckle collar or harness, TDI® Tag, and TDI® Bandana on all visits. (Training collars, training harnesses, halties or any other corrective training devices are not permitted.) Vests or other paraphernalia are not permissible unless a conflict occurs with a facility's rules and regulations and TDI® gives advance written consent to that particular exception. Dogs are permitted to wear costumes for special occasions.
6. A current TDI® ID card with the member dog's photo and name of handler and dog is mandatory when visiting under the auspices of TDI®.
7. During pet therapy visits, member dogs are to be used solely for emotional therapy. Our dogs are not to be used for physical therapy of any sort, i.e., pulling patients on gurneys or wheeled vehicles. Our purpose is to provide comfort and companionship. Any physical interaction, other than petting and general affectionate contact, is not permitted.
8. The use of food or treats is prohibited while visiting (exception – during a demonstration, the handler can treat the dog).
9. Anything learned about any individuals while visiting under the auspices of TDI is privileged information and may not be discussed or disclosed to anyone at all. Many facilities have a confidentiality policy that they will ask you to sign.
10. Associate Members who are participating in therapy dog work in the legal or criminal justice system should not be present during any attorney client/witness interactions.

**C. After a visit.**

1. I agree to inform TDI® immediately in writing if my dog(s) shows any form of aggressive behavior toward other dogs or persons or any change of temperament and to stop visiting with my dog(s) in a Therapy Dog capacity until the matter has been resolved.

**D. General conduct.**

1. I understand that neither my dog's certification, nor my voluntary participation in TDI®, is to be used by myself, my club, or Chapter for any personal or financial benefit including, but not limited to, the misuse of the TDI® certification: to gain access to public accommodations (other than therapy facilities) which are not generally accessible to dogs; for the sale of dogs; or the unauthorized use of TDI®'s name or logo in conjunction with any dog club or organization.
2. Public relations appearances, websites and other publications or uses of the TDI® name or logo, by Associates or their clubs, must be authorized in advance by TDI®. In therapy visitations, public appearances and dealings with the media, Associate Members must identify themselves as members of TDI®, and TDI®'s telephone number and/or address should be given to the media.
3. I will conduct myself with the utmost courtesy and professionalism in any and all dealings with TDI®. I will present myself and my dog(s) as courteous, caring, and well-prepared volunteers who project the good will, which TDI® has fostered in its members. Any slanderous behavior toward another TDI Associate Member is not acceptable. Any slanderous behavior toward another organization is not acceptable and will be reported to that organization.
4. My primary objective in wishing to become an Associate Member of TDI is to share the companionship of my dog with those whom we encounter in our therapy visits.
5. I understand that the Volunteer Insurance coverage provided by TDI® is strictly limited to accidental injury and/or damages. Said insurance will not cover injuries and/or damages if I violate TDI®'s Rules and Regulations while visiting. Further, I agree to indemnify and hold harmless TDI® for such injuries and/or damages.
6. My signature indicates that I have been provided a copy of TDI®'s Rules and Regulations and have read and understand my responsibilities and obligations under them. I agree to abide by all of these Rules and upon renewal as an Associate to abide by the Rules applicable to all Associates as amended from time to time. I have answered all questions on this form truthfully and to the best of my knowledge. I acknowledge that my violation of these Rules could result in a review of my TDI® status by the TDI®'s Board of Directors, and may result in the possible imposition of any of the following sanctions: review of the applicant's suitability to become/or remain an Associate; a probationary period imposed; a long-term suspension of my TDI® privileges; or a requirement that my dog(s) be re-tested by an independent Evaluator.
7. a) TDI memberships must be renewed by December 31. b) There will be a grace period between January 1 and February 1 to renew. However there will be no insurance coverage or any other TDI privileges during the grace period until renewal has been received by TDI. c) After February 1 for non-renewed memberships retesting is required to rejoin TDI.

TDI is an independent organization and its members shall not volunteer for another organization utilizing or piggybacking on the TDI member's certification. The TDI certification can only be used for TDI activities following TDI rules for visits and participation.

TDI is a self-perpetuating organization and its members may develop contacts with facilities to visit. TDI members must maintain their TDI identity independent of any other group or organization. If a TDI member is solicited by another group or organization to participate as a member of that group or organization using their TDI certification the TDI member must report this solicitation to TDI.

# Saying Good Bye

All of us together, whether we know or have known each other personally or not, are and have been part of something which is good, is alive and growing. TDI has been perpetuating itself since the beginnings in 1976 so many are and have been part of this by adding to this "Building". The message of Therapy Dogs has spread. Through the dedication of people with their dogs, we are learning and understanding that there is so much more to be done for the good of all, whether it is for humans or for dogs. By contributing our work with the help of our dogs, all of us in our unique way, have and are making a difference for the good of all Mankind.

Thank you and Good Bye to you who have completed your work here on earth. You have left behind something which has made it worthwhile to have been part of in this world. You will be missed and remembered as having been part of something which is greater than any work of each individual alone!

# THE RAINBOW BRIDGE

*There is a bridge connecting Heaven and Earth. It is called the Rainbow Bridge because of its many colors. Just this side of the Rainbow Bridge there is a land of meadows, hills, and valleys with lush green grass. When a beloved pet dies, the pet goes to this place. There is always food and water and warm spring weather. The old and frail animals are young again. They play all day with each other. There is only one thing missing. They are not with their special person who loves them on Earth. So, each day they run and play until the day comes when one suddenly stops playing and looks up! The nose twitches! The ears are up! The eyes are staring! And this one suddenly runs from the group! You have been seen, and when you and your special friend meet, you take him or her in your arms and embrace. Your face is kissed again and again and again, and you look once more into the eyes of your trusting pet. Then you cross the Rainbow Bridge together never to be separated.*

# *In Memory . . .*

*We are saying good-bye to the following TDI dogs. We will always be grateful for the contributions these dogs have made to the lives of others. A very special thank you to their owners for sharing these remarkable creatures with us and for representing TDI so well.*
